

BOA TICKET ORDER FORM

Bands of America Grand National Finals

Saturday Evening Nov. 12, 2016

After ISSMA State competitions are finished, MPLT proceeds to national competitions at Lucas Oil Stadium. We will participate in the Bands of America (BOA) Indianapolis Super Regionals November 4th/5th, and the BOA Grand National Prelims Nov.10th/11th. These are scheduled competitions that our band will definitely compete in. Next, those bands chosen for BOA Semi-finals will compete during the day on November 12th. Finally, the top 12 bands from semi-finals will compete in the BOA Grand National Finals **the evening of November 12th**. Tickets for each event are sold separately. The MPLT Fan Club, with the support of both LN and LC band booster organizations, has pre-ordered tickets for the **evening of November 12th only**.

Should you buy a ticket?

This is an incredibly competitive event and there is no guarantee for any band to reach the final night of competition on November 12th. There is a possibility that you will purchase a non-refundable ticket for a competition that your marcher will not be in. We purchase tickets in advance with hope for a successful season that will wrap up with Grand National Finals. Of course, after the competition season, we'll go on a dream-come-true trip to Pasadena to march in the Rose Parade. That makes this a very special year for our band, and we want enjoy every moment of it together. The advance purchase is the only way we can guarantee that MPLT fans can sit with one another. **If our kids reach this final night of performance, they will march onto the field able to see our huge presence in the stands and hear our loud, unified cheering to motivate them to perform their best show of the season!**

How does ordering tickets work?

MPLT has reserved section 343 at Lucas Oil Stadium, near the 30-yard line. This is close enough to the action to see the kids, and far enough to see formations. Fill out this form and return it to the Performing Arts secretary at either LN or LC. If the secretary is not there, please use the drop box in the band room at LN or the one beside Mrs. Corman's desk at LC. Only those forms accompanied by payment will be processed. The earlier you order, the closer to the front of the section you will be seated. If you would like to be seated next to another family, please combine your order on a single form with a single payment. Tickets will be distributed about a week before the event. If you have questions, please contact Judy Everly at (317) 258-3197 or judy@theeverlys.com.

Please cut along dotted line and turn in lower portion with your payment for tickets. Save upper portion for information about BOA Finals.

Yes, I would like to sit with the Marching Pride of Lawrence Township fans in our block of seats at Grand National Finals on the evening of November 12, 2016.
