On a special note, we will be also be celebrating Randy Greenwell's retirement from Lawrence Central at Chile Verde on Wednesday, December 21<sup>st</sup>. Please help us honor and thank him for his 24 years of teaching and dedication to music education. He will be at Chile Verde from 6p-9p.

We are still feverishly working to fund the Rose Parade trip for our neediest students. All of you who know Randy, understand how important it is to him that all of his students experience this once in a lifetime trip! Please stop by and wish Randy well on his future endeavors while supporting the Marching Pride of Lawrence Township.

**Thank you for your support!**
