

## Opener Front Ensemble Parts:

### Marimba and Vibes only

Some of you will be switching between marimba and vibes during the opener. I have added your names to the file titles. Once you find your part with your name, look at the top left of the sheet music and that is the instrument you will start the show on. You will switch back to your main instrument assignment for part 2. We will explain more on Tuesday if needed. Lorenzo and Erin will stay on marimba for part 1.

## Part Assignments:

Marimba and Vibe are listed in order as if you were the audience looking at the pit from Left to Right. Ex: (Left or side 1) 5,3,1,2,4,6 (Right or side 2). This is the regular show/warm up order, not part 1.
