Each gift tree is beautifully packaged in a 100% natural jute bag with an accent ribbon!

OLIVE •\$60

The olive tree would need to be kept indoors year round, or always when temps reach below 65 degrees fahrenheit.

Perfect for the plant person in your life, as these little trees are hard to come by!

•\$55 **BLUE SPRUCE**

The blue spruce is hardy to our area and could be planted before the ground freezes, and could sit out on your front porch for the holiday season.

SOUTHERN MAGNOLIA •\$55

A beautiful addition to any holiday decor. Place on a mantel, or an entry way table, or wherever your heart fancies!

These are hardy in zones 6-10 so you could plant these in the southern part of Indiana!
